Dear Mr. King:

I wanted to take just a moment to personally thank you for your hard work and dedication to the State of Florida. I especially want to thank and congratulate you for your authoring of House Bill 791.

I personally had the privilege of being able to sponsor your bill when it was first presented as House Bill 1601. Although the bill did not pass during the 2000 Legislative Session, I was pleased to see it become law in 2001. I want to commend you for never compromising the content of your bill and never giving up on an idea that is good for the State of Florida.

Due in part to your work, many of Florida's low income families will be protected in their greatest times of need. On behalf of those families, and the many other members of the Florida House of Representatives that supported your bill, allow me to thank you for your contribution to this legislation. Please know that your help has made the State of Florida a better place.

Thank you once again for all you have done for our state. If I can ever be of further assistance to you in any way, please do not hesitate to contact me.

Very truly yours,

A handwritten signature in cursive script that reads "Johnnie".
